

## Peace of Mind

Immanuel Communities offer a solid foundation of service and financial strength. At a time when other retirement communities are finding it more difficult to keep up with the changing demands of seniors, Immanuel continues to see growth and find opportunities that positively shape the future of our organization.

Immanuel's core strength is our employee team. Their commitment and compassion drive excellence throughout the communities. We provide exceptional customer service at every level because our work is our calling. It's our way of serving our community and living out our mission of Christ-Centered Service to Seniors, Each Other and the Community.

## *Independent Living*

## *Choices*

At Immanuel Communities, every day is about limitless possibilities. Come experience life to the fullest in a welcoming vibrant setting. We believe your retirement lifestyle should unfold the way you've imagined it. Take a walk. Join a discussion group. Express yourself in an art class. Spend an afternoon with your grandchildren. Or simply meet friends for lunch or dinner. Whatever you choose, it is all here waiting for you.

## *Lifestyle*

While you are enjoying life, we are doing the chores – housekeeping, maintenance, chef-prepared meals, lawn care and landscaping. Want to travel? Just lock your door and go. At Immanuel Communities, you'll find a secure worry-free lifestyle that allows you to live life to the fullest. As the premier senior housing provider in southeast Nebraska and central Iowa we have created communities that support, enrich and

enable your passions and interests. Whether you prefer the city or a small-town feel, we have communities to compliment your various interests and preferences. We offer apartment homes featuring a variety of sizes and beautiful, spacious common areas.

## *Fitness*

Immanuel Communities are regional leaders in senior fitness, and our residents get the full benefit of our innovative services and programming. We believe passionately in holistic wellness – wellness of the body, mind and spirit. When all three areas are well nourished and active, it leads to a longer, more fulfilling life.

Each of our communities has a senior-focused wellness center that offers engaging events and activities. Under direction of our trained staff, you can enjoy a personalized exercise program, designed to help you remain fit and independent.

## *Spirituality*

Our communities have a rich, Christian heritage. Spiritual support and nourishment are a vital part of the Immanuel lifestyle. Our full-time pastors are active and integrated members of our communities. They lead Bible studies and community worship; and they are there for encouragement or spiritual guidance.

Though Immanuel is associated with the Nebraska Synod of the Evangelical Lutheran Church in America, residents are diverse in their beliefs and their worship. Our communities offer Lutheran, Catholic and non-denominational services.
